July 13, 2010

Dear Friend of SCPHA:

The South Carolina Public Health Association (SCPHA) is a nonprofit organization established to protect and promote personal, community, and environmental health. Our statewide membership organization works tirelessly to promote positive public health in South Carolina in a variety of ways. SCPHA does this through public awareness activities, training of public health workers, and recognition of individuals promoting public health.

The work of the association does not come without the need for funding. Last year we held our second annual golf tournament fundraiser. Once again, the tournament was a proven success, and we are looking forward continuing this annual event! SCPHA needs your help in this endeavor by asking you to please consider sponsoring a hole on the golf course. Your sponsorships are tax deductible to the extent allowed by law and will allow advertising for your business and/or affiliation. SCPHA is a 501(c)(3) organization – Federal Tax I.D. # 57-6026723.

The tournament will be held on Tuesday, September 21, 2010 (rain date September 28) at the Northwoods Golf Club (201 Powell Road) in Columbia, SC. **There are three levels of sponsorship: Gold \$300, Silver \$200 and Bronze \$100.** If you are able to provide sponsorship, **please complete the attached form and forward your funds to the address on the form by August 27, 2010.**

For your convenience, a donation receipt will be sent to you for your records, if requested. We look forward to your support of SCPHA's efforts to improve the personal, community and environmental health of South Carolina. For more information on the association, please visit our website at www.scpha.com. Thank you for your consideration!

Sincerely,

2010 Golf Tournament Committee
