

About SCPHA

The purpose and goal of the South Carolina Public Health Association (SCPHA) is to protect and promote personal, community and environmental health; to exercise leadership in health policy development and action; to provide a forum for matters pertaining to public health; and to foster scientific and professional development among its members.

Our members are committed to making a difference in the workplace, in the community and at home.

The Association is comprised of 10 sections and a Student Forum, offering membership involvement in activities representing a wide variety of disciplines and interests.

Member benefits include:

- An annual meeting featuring scientific sessions designed to keep members apprised of advances in the field of public health, new policies, and state/national legislation;
- Workshops, seminars and conferences sponsored by the Association and its Sections throughout the year;
- A quarterly newsletter, *The Bulletin* that keeps members posted on current events;
- Access to a legislative committee that speaks out on important legislation on a year-round basis; and
- The opportunity to become actively involved in Section activities and/or a variety of work committees designed to support the goals of the Association.

“Painting the Future of Public Health: Building Better Bodies and Communities”

February 4, 2010

**Seawell's Banquet Hall and
Reception Center
1125 Rosewood Drive
Columbia, SC 29201**

Conference Objectives

The 2010 SCPHA Winter Conference will be held on Thursday, February 4th at Seawell's Banquet Hall and Reception Center.

Anyone with an interest in building better bodies and communities through effective communication, healthful lifestyle goals, school safety, nutrition, food safety, and oral health, should attend.

The participants of this Conference should be able to answer the following:

- What is the role of the mass media and technology in public health communication
- Strategies for effectively communicating prevention messages
- How to reclaim Personal Lifestyle Goals that are needed for good health
- Lifestyle Change Initiatives
- Benefits of Safe Routes to School
- How do Communities and SRTS intertwine?
- Necessities of inter-disciplinary/ inter-departmental communications in the event of a bioterrorism incident
- Importance of fluoride in drinking water
- How fluoride helps us maintain healthy teeth and healthier bodies

All Health Team/Champions of the Environment spots, moderated by Joanne Minder, SC DHEC - HS Chronic Disease, will be aired during lunch.

CE Accreditation:

This event is being co-provided by Mid-Carolina AHEC and the SCPHA. This event will be awarding **5.5 continuing nursing education contact hours**.

Mid-Carolina AHEC, Inc is an approved provider of continuing nursing education by the South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

CEUs will also be offered in **social work** (non trained social work hours) and **general**.

Category I CHES credits have been applied for (**7 Continuing Education Contact Hours**).
